

Balboa Capital Announces Expansion Of Its Large Ticket Financing Division

Top Independent Financing Company Adds Staff, Office Space To Address The Financing Needs Of Companies With Greater Than \$50 Million In Annual Revenue

IRVINE, CALIFORNIA, January 14, 2014 - Balboa Capital, a leading provider of commercial financing and commercial business loans, today announced that it has expanded its large ticket financing division. The company added 15 highly experienced finance managers to keep pace with the growing financing needs of large companies and corporations throughout the United States.

“The recent expansion of our Enterprise Sales Division reflects our rapid growth in the large ticket arena and demonstrates our commitment to providing large companies with the flexible financing solutions they need,” said Michael Bivins, Director of Sales for Balboa Capital’s Enterprise Sales Division. “We have the funding capacity and proven track record of success that corporate clients and Fortune 1000 Companies expect.” Balboa Capital acquired new office space at its Irvine, California headquarters to accommodate the growth of its Enterprise Sales Division.

The Enterprise Sales Division at Balboa Capital facilitates financing transactions from \$100,000 to \$50 million for companies in a diverse variety of industries, including manufacturing, aerospace, construction, telecommunications and technology. Balboa Capital’s web-based financing tools and dedicated large ticket credit experts and customer service specialists help reduce the administrative burden for businesses. The end result is a highly efficient and streamlined financing process from start to finish.

About Balboa Capital

Balboa Capital is a technology-driven financing company that provides business owners with fast, hassle-free solutions to fuel their growth and success. The company specializes in small business loans, equipment financing, commercial financing, equipment vendor financing and franchise financing. Balboa Capital developed an intuitive online platform that simplifies the entire financing process.
