COSTA MESA, CALIFORNIA, November 1, 2016 - Balboa Capital, a leading provider of small business loans and equipment leasing in the United States, moved its corporate headquarters to a new location in Costa Mesa, California to accommodate current and future planned growth. The company now occupies the entire top suite of a 12-story, contemporary office building at The MET Costa Mesa.

“Our new office reflects our forward-thinking goals that focus on company growth and our customer-centric operational strategy,” said Robert Rasmussen, Chief Operating Officer at Balboa Capital. “We added more than 100 employees in 2016, and we now have a spacious and modern facility that will allow us to expand our sales and operations divisions so we can continue to meet or exceed the expectations of our customers.
